

JAM ABALOS

Graphic Designer

ABOUT

I am a graphic designer with the love for simplicity, and clean minimal design. I have an extensive experience working with multimedia, marketing, print and web design along with a background in UX/UI and motion design. I am client oriented to ensure client satisfaction and adapt quickly to changing situations and environments, I am self motivated and I strive to always achieve the best results. For any other skills I lack, I make up with the determination to learn.
